

Privacy Policy for Lectify

Effective Date: 2025

Lectify is committed to protecting your privacy in accordance with the Brazilian General Data Protection Law (LGPD) and the Brazilian Civil Rights Framework for the Internet (Marco Civil da Internet). This Privacy Policy outlines how we handle personal information for our two distinct services: 1) YouTube Video Summarization in PDF and 2) PDF-based Quiz Generation.

1. YouTube Video Summarization in PDF

Legal Basis for Processing:

- Legitimate interest to ensure service security and functionality.

Information We Collect:

- Temporary collection of cookies from YouTube to verify that the user is not a robot.

Purpose of Data Processing:

- Human verification to prevent automated access.

Data Retention:

- Cookies are deleted immediately after each session; no personal data is stored.

Data Sharing:

- No data is shared with third parties.

2. PDF-based Quiz Generation

Legal Basis for Processing:

- User consent upon submitting the PDF.

Information We Collect:

- PDF content for generating a 5-question quiz.

Purpose of Data Processing:

- Temporary processing to create the quiz.

Data Retention:

- No data is stored; information is discarded after quiz generation.

Data Sharing:

- No data is shared with third parties.

User Rights:

- As no personal information is retained, there are no records to access, modify, or delete.
- Right of Access: Users may request details about the processing of their data.

Changes to This Privacy Policy:

- Lectify may update this Privacy Policy as required by law. Changes will be posted with a revised effective date.
